Founding Class of 2026

Official Contestant Nomination Form

Community First. Crown Second.

Use this form to nominate someone for Uplift — whether for the pageant generally or to speak to a contestant’s story for an experience-based open title (Caregiver, Survivor, Military Family, Entrepreneur, Community Hero, or Leadership). A nomination is an **invitation, not an entry**: we reach out to the person with a warm, no-pressure note, and they decide for themselves whether to apply. We never register or enter anyone without their knowledge and consent, and for nominees under 18 a parent or legal guardian always completes the application. Nominations are **never scored** and are never required for any contestant to qualify.

1. About the Person You’re Nominating

Nominee’s full name

How to reach them (email)

Or phone

Optional — if you’d rather we contact you first, leave blank.

2. Why Are You Nominating Them?

A few sentences is plenty. If this supports an open title, tell us what about their work or story speaks to it.

3. About You (the Nominator)

Your full name

Your relationship to the nominee

Your email

So we can follow up if we have a question.

Your phone (optional)

4. Your Acknowledgment

- I understand that Uplift will reach out to this person with an invitation, and that nominating them does **not** register or enter them. They choose whether to apply. I confirm the information above is accurate to the best of my knowledge.
